Your doctor, Your choice

Consult with your own specialist or go to your preferred hospital, whether they are in or outside the provider network of IHC. You can avail of services from doctors, specialists and hospitals outside our accredited network here or abroad. This is subject to reimbursement based on the following:

TYPE OF SERVICE	COVERAGE	
	IN-NETWORK	OUT-NETWORK
INPATIENT CARE	100%	80%
OUTPATIENT CARE	100%	80%
EMERGENCY CARE	100%	80%

Health is personal, so your choice matters. Your comfort and peace of mind is our priority.

Personalized Health Care at Home

Let us know which necessary medical laboratory and diagnostic tests you need, and we will arrange it to be performed in the comfort of your own home.

Partnered with Hi-Precision Diagnostic Center, some services we offer include routine blood exam such as CBC, hepatitis marker tests, bacteriology tests and molecular diagnostics.

We are all about efficiency and convenience.

Adventure without worry

Comprehensive Travel Insurance

Privilege Care offers a set of worldwide emergency assistance services during travel that includes, but not limited to: emergency medical evacuation, medical repatriation, return of mortal remains, compassionate visit, and care of minor children.

Get assistance AND insurance for hassles like trip cancellations, flight delays, loss of belongings, and more. The only thing left think about is how to maximize your enjoyment in the trip. The world is your oyster. Globe-trot, explore, and say 'yes' to life confidently.

International Hospital Access

Seek treatment anywhere around the globe with no problem.

Privilege Care members can avail of medical services overseas, subject to prior local evaluation and reimbursement at 80% of the equivalent cost in the Philippines, but not exceeding 50% of the Annual Benefit Limit.

Access to Mount Elizabeth Hospital and other Parkway Hospitals in Singapore

We partnered with Singapore's largest and leading integrated private health care provider, Parkway Hospitals, to offer a wide range of services from primary to quaternary care as well as ancillary services. With their cutting-edge medical technology and state-of-the-art facilities, you are sure to experience best-in-class patient experience and outcomes.
